PROPOSAL/CONTRACT

Lest We Forget Traveling Slavery Museum Exhibit (LWFTSM©)

Date: June 14, 2021 Organization: City of Perry 1211 Washington Street

P.O. Box 2030 Perry, GA 31069

Description: Lest We Forget Traveling Slavery Museum Exhibit (LWFTSM®) consists of a cross-section of authentic slave artifacts from the transatlantic slave trade which include, numerous iron shackles, Bill of Sale documents, Jim Crow objects and other rare items. Descriptive text panels and images accompany the collectibles. Our presentation(s) cover American Slavery from "Capture to Emancipation and Beyond" to be held at a specified location on agreed upon Date(s) and Time(s) - TBD

Exhibit & Lecture/Presentation Overview:

- ➤ LWFTSM exhibit will be set up in a secure location (no hallways, stairwells, etc.) on at least (5-6) long tables and will remain on display throughout the entire contracted period.
- ➤ LWFTSM© presentation(s) include a comprehensive review of American slavery from "Capture to Emancipation and Beyond" that correlate historic events with current ones.

Advantages/Benefits of LWFTSM©:

- > Offers a unique opportunity to view actual slave artifacts that "Bring History Alive".
- Provides candid, thought-provoking presentations that educate and heighten an awareness about a significant period of American history (not just Black history).
- ➤ Identifies how different "Coming to America" was for millions of kidnapped and enslaved Africans forced into bondage and required to provide free labor for decades.
- > Instill a sense of pride and appreciation for the enduring spirit and strength of enslaved African ancestors passed on to their African American descendants today.
- > Encourages open & honest dialogue about race and race relations.

Objective:

> To convey the importance of learning and/or re-learning a significant period of American history that is often overlooked and at times skewed. Our historic artifacts serve as receipts from a period of American history that speak for themselves that tell the truth about how Africans were forcibly brought to the Americas, the Caribbean and other parts of the world and required to provide free labor for decades. The exhibit also displays the many contributions made by African Americans then and now. LWFSM Exhibit is committed to instilling a sense of pride in African American descendants. Others will also benefit from learning and/or better understanding this aspect of American history.

Summary:

➤ LWFTSM Exhibit is a tried and proven teaching tool that offers an innovative and comprehensive way to fully recognize and understand American history. Our rare artifacts enable us to provide high-quality and informative presentations that correlate past events with current ones, in keeping within our mantra, "We Must Remember the Legacy of Slavery, Lest We Forget".

Re: Recommendation for PACVBA Board Vacancy

The Perry Area Convention & Visitors Bureau Authority currently has a vacancy on the board, following the resignation of Bill Loudermilk's appointment. I would like to recommend Chris Patel for this vacancy. Mr. Patel is the owner of Americas Best Value Inn hotel. Him and his wife have been heavily involved in the community and the CVB since taking ownership of the hotel a few years ago. Being from the lodging/hotel industry, I think he could bring great value and insight to the board, as well, as be a valuable liaison between the CVB and other lodging/hotel owners in Perry.

Attached is Mr. Patel's letter of interest.

Thank you for your support and consideration,

Allison Hamsley

To whom it may concern,

Hello My name is Chris Patel. I am writing to you today to submit myself for the CVB board opening. I am a hotel business owner in Perry Ga the Americas Best Value inn. As a hotel business owner, I get to experience visitors from all over the world and their purpose for travel. I would like to share my knowledge and experience on the bases of how visitors are traveling, why they are traveling, what types of marketing is brining them to us and also what they are looking for when they stop in our town. These key points would help us on how we can attract more visitors to our town. I would also like to bring from a day to day operations standpoint of things that I see that may no longer work that we could work on the improve upon.

Thank you,

Chris Patel

STAFF REPORT

From the Department of Community Development June 4, 2021

CASE NUMBER:

TEXT-146-2021

APPLICANT:

The City of Perry

REQUEST:

Modifications to Land Management Ordinance Sections 2-2.1, 2-2.2, 2-3.1, 2-3.2, 2-3.3, 2-3.5, and 2-3.7 to remove duplicative language, to clarify the requirements for various zoning applications, and to clarify the procedures for various zoning applications, including the authority of the Planning Commission and City Council. The specific zoning applications being modified are those for: Official zoning map amendments; Annexation and zoning of land; De-annexation of land; Amendments to the text of the ordinance; Planned unit developments; Special exceptions; and Variances and Appeals

of administrative decisions.

STAFF ANALYSIS: The proposed text amendment modifies Section 2-2, Procedures, and specific subsections of Section 2-3, Specific Application Requirements.

Section 2-2.1 establishes the procedures for variances and appeals of administrative decisions. The amendment removes inconsistent language and clarifies the procedures for each application type. A statement regarding the applicant's responsibility to demonstrate compliance with applicable standards, and a provision clarifying the withdrawal of applications has been added. There is no substantive change from our current practices. The language is consistent with requirements of Georgia's Zoning Procedures Law.

Section 2-2.2 establishes the procedures for amendments to the official zoning map (rezoning), annexations and zoning of land, de-annexation of land, text amendments, and special exceptions. The amendment removes inconsistent language and clarifies the procedures to these application types. Annexation and zoning of land, and de-annexation of land have been added for clarification. Special exceptions have been removed from Section 2-2.1 and added to this section. Clarification of who may initiate the various application types has been clarified. A statement regarding the applicant's responsibility to demonstrate compliance with applicable standards, and a provision clarifying the withdrawal of applications has been added. Statements regarding modification of applications by the applicant have also been added. Language has been included which authorizes the Planning Commission to recommend, and the City Council to approve, a less intense or intermediate zoning classification than is requested by the applicant. There is no substantive change from our current practices. The language is consistent with requirements of Georgia's Zoning Procedures Law.

<u>Section 2-3.1</u> establishes the standards used to consider amendments to the official zoning map (rezoning), annexation and zoning of land. Duplicative procedures have been removed from this section. The standards for considering rezoning applications have not changed. Standards for considering the zoning of lands being annexed into the city have been added. The standards are consistent with established case law in Georgia.

<u>Section 2-3.2</u> establishes the standards used to consider amendment to the text of the ordinance. Duplicative procedures have been removed from this section. The standards proposed in this section are new. They are intended to be used as a guide for the Planning Commission and City Council when evaluating the impact of a proposed text amendment.

<u>Section 2-3.3</u> establishes the standards used to consider a planned unit development (PUD). The only change to this section is the addition of a statement indicating that the procedures for establishing a PUD are the same as those for rezoning.

<u>Section 2-3.5</u> establishes the standard used to consider special exceptions. Duplicative procedures have been removed from this section. The standards for considering special exception applications have not changed.

<u>Section 2-3.7</u> establishes the standards for considering variance applications. Duplicative procedures have been removed from this section. The standards for considering a variance have not changed, except that the phrase in subsection (B) has been separated from standard number (4). The separate four standards for considering a variance request because of a violation have been removed. There should only be one set of standards for a variance, and the existence of a violation should not have an impact on applying those standards.

STANDARDS FOR GRANTING A TEXT AMENDMENT:

 Whether, and the extent to which, the proposed amendment is consistent with the Comprehensive Plan;

The proposed amendment has no development impact. Therefore, this standard is not applicable.

2. Whether, and the extent to which, the proposed amendment is consistent with the provisions of this chapter and related city regulations:

The proposed amendment removed duplicative and inconsistent language and clarifies procedures and standards for various application types. The amendment is consistent with the Land Management Ordinance and State Law.

3. Whether, and the extent to which, there are changed conditions from the conditions prevailing at the time that the original text was adopted;

Staff identified duplicative and inconsistent language in the current ordinance which needed to be addressed. Provisions to codify current practices are added.

4. Whether, and the extent to which, the proposed amendment addresses a demonstrated community need;

The proposed amendment will benefit the development community and the general public by providing clarity to procedures and the standards by which certain applications are evaluated.

5. Whether, and the extent to which, the proposed amendment is consistent with the purpose and intent of the zoning districts in this chapter, will promote compatibility among uses, and will promote efficient and responsible development within the city;

The proposed amendment has no development impact. Therefore, this standard is not applicable.

6. Whether, and the extent to which, the proposed amendment will result in logical and orderly development pattern;

The proposed amendment has no development impact. Therefore, this standard is not applicable.

7. Whether, and the extent to which, the proposed amendment will result in beneficial impacts on the natural environment and its ecology, including, but not limited to, water, air, noise, stormwater management, wildlife, vegetation, and wetlands; and

The proposed amendment has no development impact. Therefore, this standard is not applicable.

8. Whether, and the extent to which, the proposed amendment will result in development that is adequately served by public facilities and services (roads, potable water, sewerage, schools, parks, police, fire, and emergency medical facilities).

The proposed amendment has no development impact. Therefore, this standard is not applicable.

STAFF RECOMMENDATION: Staff recommends approval of the proposed text amendment.

Sec. 2-2. Procedures.

- 2-2.1. Variances and appeals of administrative decisions. Applications for variances and appeals of administrative decisions shall be considered at a public hearing held by the Planning Commission for such purposes, following the adopted policies and procedures governing zoning hearings.
 - (A) Initiation of application. An application for variance or appeal of an administrative decision may be initiated by the owner(s) of the subject property or their authorized agent(s). Any person aggrieved or affected by a decision or interpretation of the administrator may also initiate an appeal.
 - (B) Application requirements.
 - (1) An application for variance or appeal of an administrative decision must be submitted in writing to the administrator on the form provided by the administrator.
 - (2) The application shall be accompanied by plans, plats, photographs, or other documents as may be required by the administrator to fully understand the extent of the proposed variance or the grounds of the appeal.
 - (3) An application for appeal shall be filed within ten (10) business days of the date of the decision/interpretation being appealed.
 - (4) No application shall be scheduled for a public hearing until it is deemed complete by the administrator, including payment of any required fees established by council.

(C) Public hearings.

- (1) The administrator shall cause to have posted in a conspicuous place on the property in question a minimum of one (1) "public hearing" sign for every 1,000 feet of road frontage, each of which shall not be less than six (6) square feet in area, and which shall state the date, time, place, and purpose of the public hearing. Such signs shall be placed on the subject property at least fifteen (15) days prior to but not greater than forty-five (45) days before the public hearing.
- (2) The commission shall fix a reasonable time for the hearing of appeals or variances and shall decide the same within forty-five (45) days from the date of such public hearing at which the application was first heard.
- (3) The applicant bears the burden of proof to demonstrate that an application complies with applicable approval standards of this chapter.
- (4) Any person may appear at a hearing and submit testimony, either individually, or as a representative of a person or an organization.
- (5) When considering a variance, the commission shall approve, approve with conditions, approve with modifications, or deny the application.
- (6) When considering an appeal of an administrative decision, the commission shall, in conformity with the provisions of this ordinance, reverse or affirm, wholly or in part, or may modify the order, requirements, decisions or determination of the

- administrator, and to that end, shall have all the powers of the administrator and may issue or direct the issuance of a zoning compliance permit.
- (7) The planning commission may continue a hearing to a fixed date, time and place, subject to the time restriction for deciding an application listed above in section (C)(2).
- (D) Stay of legal proceedings. An appeal of an administrative decision stays all legal proceedings in furtherance of the action appealed from, unless the administrator certifies to the commission after the notice of appeal shall have been filed with him that, by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life and/or property. In such case, a proceeding shall not be stayed other than by a restraining order which may be granted by said commission or by a court of record, on application, on notice to the official from whom the appeal is taken and on due cause.
- (E) Withdrawal of application. Any petition for a hearing before the planning commission may be withdrawn prior to action thereon by said commission at the discretion of the person, firm or corporation initiating such a request upon written notice to the administrator. The fee for a withdrawn application shall not be refunded once public notice of the application has been initiated.
- (F) Time for reconsideration following denial. When an application for variance is denied by the Commission, another application for variance on the same property shall not be considered for six (6) months from the date of the denied application.
- (G) Appeal to Superior Court. Any person or persons severally or jointly aggrieved by any decision of the planning commission may take an appeal to the superior court.
- 2-2.2. Amendments to the official zoning map, annexation and zoning of land, de-annexation of land, text amendments, and special exceptions. Applications for amendments to the official zoning map, annexation and zoning of land, de-annexation of land, text amendments, and special exceptions shall be considered by the Planning Commission at an informational hearing to provide a recommendation to City Council. City Council shall conduct a public hearing on each application. Informational hearings and public hearings shall follow the adopted policies and procedures governing zoning hearings.

(A) Initiation of application.

- (1) Amendments to the official zoning map and special exceptions may be initiated by the owner(s) of the subject property, the authorized agent(s) of the owner(s) of the property, by the city council, by the administrator, or by recommendation of the planning commission.
- (2) Annexation and zoning of land may be initiated by the owner(s) of the subject property, their authorized agent(s), or by the city council through resolution and referendum or pursuant to a local act passed by the General Assembly.
- (3) De-annexation of land may be initiated by the owner(s) of the subject property or their authorized agent(s).
- (4) Amendments to the text of the ordinance may be initiated by city council, by the administrator, or by recommendation of the planning commission.

(B) Application requirements.

- (1) An application must be submitted in writing to the administrator on the form provided by the administrator.
- (2) An application shall be accompanied by plans, plats, photographs, or other documents as may be required by the administrator to fully understand the extent of the proposal.
- (3) All applications shall be submitted to the administrator pursuant to established application submittal schedules included in the administrative manual.
- (4) No application shall be scheduled for an informational or public hearing until it is deemed complete by the administrator, including payment of any required fees established by Council.

(C) Informational hearings.

- (1) For an informational hearing, the administrator shall cause to have posted in a conspicuous place on the property involved in an application a minimum of one (1) "informational hearing" sign for every one thousand (1,000) feet of road frontage, each of which shall be not less than six (6) square feet in area and shall include the date, time, place and purpose of the informational hearing. Such signs shall be posted on the subject property at least fifteen (15) days prior to but not greater than forty-five (45) days before the informational hearing.
- (2) Informational hearings for a text amendment to the ordinance are not subject to the sign posting requirements outlined in section (C)(1) above.
- (3) The planning commission shall hold an informational hearing and shall make a recommendation to City Council. A report of planning commission's recommendation accompanying a summary of the proceedings of the hearing shall be submitted to mayor and council.
- (4) The applicant bears the burden of proof to demonstrate that an application complies with applicable approval standards of this chapter.
- (5) Any person may appear at a hearing and submit testimony, either individually, or as a representative of a person or an organization.
- (6) The planning commission's recommendation shall be for approval, approval with conditions, approval with modifications, or denial of the application. For zoning amendments, the commission may include recommendations for conditions or limitations on uses appropriate to ameliorate the impact on the surrounding area and may recommend a less intense use or intermediate zoning classification. Where the applicant does not agree to such conditions or limitations on uses, the recommendation shall be interpreted as a recommendation for denial.
- (7) The commission shall have forty-five (45) days from the date of the informational hearing at which the application was first heard within which to submit a report to the council. If the commission fails to submit a report within the forty-five (45) day period, it shall be deemed to have recommended approval of the application.

(8) The planning commission may continue a hearing to a fixed date, time and place, subject to the time restriction for submitting a report on an application to city council as listed above in section (C)(7).

(D) Public hearings.

- (1) The council shall hold a public hearing thereon provided that legal notice has been published in a newspaper of general circulation in the city no less than fifteen (15) days and no more than forty-five (45) days prior to the public hearing. Such published notice shall comply with the provisions of O.C.G.A. §36-66-4.
- (2) For a public hearing, the administrator shall cause to have posted in a conspicuous place on the property involved in an application, a minimum of one (1) "public hearing" sign for every one thousand (1,000) feet of road frontage, each of which shall be not less than six (6) square feet in area and shall include the date, time, place and purpose of the public hearing. Such signs shall be posted on the subject property at least fifteen (15) days prior to but not greater than forty-five (45) days before the public hearing.
- (3) The council shall hold a public hearing at the earliest possible time under the time limits spelled out above to consider the application.
- (4) The recommendations of the commission shall be read aloud into the minutes at the public hearing.
- (5) The applicant bears the burden of proof to demonstrate that an application complies with applicable approval standards of this chapter.
- (6) Any person may appear at a hearing and submit testimony, either individually, or as a representative of a person or an organization.
- (7) The council shall take action on the application within forty-five (45) days from the date of the public hearing by approving or disapproving the recommendation, by approving it with conditions, by approving it with modifications, by approving a less intense use or intermediate zoning classification, or by remanding the matter with instructions to the planning commission. For zoning amendments, the council may include conditions or limitations on uses appropriate to ameliorate the impact on the surrounding area and may approve a less intense use or intermediate zoning classification. Where the applicant does not agree to such conditions or limitations on uses, the application will be denied.
- (8) Following remand, upon resubmission by the commission, the council shall hold a public hearing as described above and take final action on the request.
- (9) City council may continue any hearing to a fixed date, time and place, subject to the time restriction for acting on an application as listed above in section (D)(7).
- (E) Modification of application by applicant.
 - (1) Prior to public hearing. An application may be modified by the applicant any time prior to the administrator submitting the required notice for the public hearing for publication to the newspaper of general circulation. Such modification request must be in writing from the applicant and submitted to the administrator.

- (2) During the public hearing. In response to questions or comments by persons appearing at the public hearing, or in response to suggestions or recommendations from the reviewing body, the applicant may agree to modify his application, including the plans and specifications submitted. Unless such modifications are so substantial or material that the reviewing body cannot reasonably perceive the nature and impact of the proposed modifications without having revised plans before it, the reviewing body may approve the application contingent upon receiving plans reflecting the agreed-upon changes. Any required permit will not be issued until the plans reflecting the agreed-upon modifications are verified by the administrator.
- (F) Withdrawal of application. Any application may be withdrawn prior to final action at the discretion of the person, firm or corporation initiating such request upon written notice to the administrator. The fee for a withdrawn application shall not be refunded once public notice of the application has been initiated.
- (G) Time for reconsideration following denial. When an application is denied by city council, the same type of application on the same property shall not be considered for six (6) months from the date of the denied application.

Sec. 2-3. Specific application requirements.

- 2-3.1. Official zoning district map amendments; annexation and zoning of land.
- (A) In reviewing a proposed amendment to the official zoning district map and taking action on said proposed amendment, the planning commission and city council shall consider the following standards governing the exercise of the zoning power as adopted in accordance with O.C.G.A. § 36-66-5(b):
 - (1) The existing land uses and zoning classification of nearby property;
 - (2) The suitability of the subject property for the zoned purposes;
 - (3) The extent to which the property values of the subject property are diminished by the particular zoning restrictions;
 - (4) The extent to which the destruction of property values of the subject property promotes the health, safety, morals or general welfare of the public;
 - (5) The relative gain to the public as compared to the hardship imposed upon the individual property owner;
 - (6) Whether the subject property has a reasonable economic use as currently zoned;
 - (7) The length of time the property has been vacant as zoned considered in the context of land development in the area in the vicinity of the property;
 - (8) Whether the proposed zoning will allow uses that are suitable in view of the uses and development of adjacent and nearby property;
 - (9) Whether the proposed zoning will adversely affect the existing use or usability of adjacent or nearby property;
 - (10) Whether the zoning proposal is in conformity with the policies and intent of the Comprehensive Plan;
 - (11) Whether the zoning proposal will result in a use which will cause an excessive burden upon existing streets, transportation facilities, utilities, or schools; and
 - (12) Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal.
- (B) In reviewing an application for annexation and zoning of land and taking action on said application, the planning commission and city council shall consider the following standards:
 - (1) The existing land uses and zoning classification of nearby property;
 - (2) Whether the proposed zoning will allow uses that are suitable in view of the uses and development of adjacent and nearby property;
 - (3) Whether the proposed zoning will adversely affect the existing use or usability of adjacent or nearby property;

- (4) Whether the zoning proposal is in conformity with the policies and intent of the Comprehensive Plan;
- (5) Whether the zoning proposal will result in a use which will cause an excessive burden upon existing streets, transportation facilities, utilities, or schools; and
- (6) Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal.

2-3.2. Amendments to the text of the ordinance.

- (A) In reviewing an application for an amendment to the text of the ordinance and acting on said application, the planning commission and city council may consider the following standards:
 - (1) Whether, and the extent to which, the proposed amendment is consistent with the Comprehensive Plan;
 - (2) Whether, and the extent to which, the proposed amendment is consistent with the provisions of this chapter and related city regulations;
 - (3) Whether, and the extent to which, there are changed conditions from the conditions prevailing at the time that the original text was adopted;
 - (4) Whether, and the extent to which, the proposed amendment addresses a demonstrated community need;
 - (5) Whether, and the extent to which, the proposed amendment is consistent with the purpose and intent of the zoning districts in this chapter, will promote compatibility among uses, and will promote efficient and responsible development within the city;
 - (6) Whether, and the extent to which, the proposed amendment will result in logical and orderly development pattern;
 - (7) Whether, and the extent to which, the proposed amendment will result in beneficial impacts on the natural environment and its ecology, including, but not limited to, water, air, noise, stormwater management, wildlife, vegetation, and wetlands; and
 - (8) Whether, and the extent to which, the proposed amendment will result in development that is adequately served by public facilities and services (roads, potable water, sewerage, schools, parks, police, fire, and emergency medical facilities).
- 2-3.3. Planned unit development (PUD). Permitted uses for planned unit development districts are established in subsection 4-1.3 of this chapter. Use, area, bulk, and height requirements shall be determined by the procedures set forth in this section.
 - (A) Specific requirements. In order to qualify for a planned unit development district zoning classification a proposed development area shall be in one ownership or management, or if in several ownerships, the application for amendment to this section shall be filed

- jointly by all of the owners of the properties included in the plan. Applications for planned unit development shall be submitted to the administrator pursuant to established application submittal schedules included in the administrative manual.
- (B) Procedure for approval of a planned unit development (PUD) district. The filing of a plan for a planned unit development shall follow the procedures for amendment to the official zoning map in Section 2-2.2 and shall meet the requirements specified in this section. In addition, the following regulations shall apply:
 - (1) Two (2) copies of a preliminary site plan shall be submitted to the commission.
 - (2) The commission shall review the proposals prior to submitting a recommendation to the council. The commission may make reasonable additional requirements including but not limited to utilities, drainage, landscaping, and maintenance thereof, lighting, signs and advertising devices, screening, access ways, curb cuts, traffic control, height and setback of buildings, to protect adjoining uses, or to protect the PUD from adjacent uses.
 - (3) Approval by the council subsequent to a public hearing constitutes creation of the planned unit development (PUD) district.
- (C) Preliminary site plan required. The preliminary site plan which accompanies an application for approval of PUD shall show the following:
 - (1) The proposed title of the project and the name of the engineer, architect, designer, or landscape architect, and the development.
 - (2) The north point, scale, and date; the scale of the site plan shall be as follows:
 - (a) For projects containing fifty (50) acres or more, not more than one hundred (100) feet to one inch.
 - (b) For projects containing less than fifty (50) acres, not more than fifty (50) feet to one inch.
 - (3) Existing zoning and zoning district boundaries and proposed changes in zoning.
 - (4) The boundaries of the property involved, the location of all existing easements, section lines, and property lines, existing streets, buildings and other existing physical features in or adjoining the project.
 - (5) The location and size of existing and proposed streets, alleys, driveways, curb cuts, entrances and exits, loading areas (including number of parking and loading spaces), and outdoor lighting systems.
 - (6) The location of proposed lots, setback lines, and easements, and proposed reservations for parks, parkways, playgrounds, school sites, and open spaces.
 - (7) The location and height of all proposed main and accessory buildings for all structures except single- and two-family dwellings.
 - (8) Location, height and material of all fences, walls, screens, plants and landscaping.
 - (9) Proposed location, intended use, and character of all buildings. For residential structures, show type and number of dwellings, and minimum square footage of single-family detached dwellings.

- (10) Location, character, size and height and orientation or proposed signs.
- (11) A location map showing the position of the proposed development in relationship to the surrounding area.
- (12) A tabulation of the total number of acres in the project, gross and net, and the percentage thereof proposed to be devoted to different dwelling types, commercial uses, other nonresidential uses, off-street parking, streets, parks, schools, and other public and private reservations.
- (13) A tabulation of the total number of dwelling units of various types in the project and the overall project density in dwelling units per acre, gross and net, as required by district regulations.
- (14) A detailed legal description of the location of the site.
- (15) A discussion of the proposed standards for development including restrictions on the use of the property, density standards and yard requirements restrictive covenants. The commission may establish additional requirements for the preliminary site plan and in special cases, may waive a particular requirement if, in its opinion, the inclusion of that requirement is not essential to a proper decision on the project.
- (D) Final plat required. A final plat shall be recorded prior to submission of an application for a building permit. The plat shall comply with all laws, regulations, and resolutions governing the approval of subdivisions and, in addition, shall show all the features required on the preliminary site plan. A plat of development shall be recorded regardless of whether a subdivision is proposed. At least one of the final site plan maps shall include topographical contour lines at intervals no less than five (5) feet.
- (E) Review standards. The commission shall review plans for proposed planned unit developments for conformity with the comprehensive plan. Specifically, the proposed plan shall meet the following conditions.
 - (1) The plan shall conform to the purpose and intent of this chapter as stated in section 1-3.
 - (2) Access to all developed property shall be sufficient to provide for an acceptable level of fire protection.
- (F) Miscellaneous provisions.
 - (1) Amendments and additions. Amendments or additions to an approved plan or to the boundaries of the PUD shall be accomplished subject to the same regulations and procedures applicable to a new application.
 - (2) Deed restrictions. The commission may require filing of deed restrictions to help carry out the intent of this chapter.
- (G) Site design requirements.
 - (1) Location of district. A PUD district may be established anywhere within the City of Perry, Georgia.

- (2) Site design, general. The proposed development must be designed so as to produce an environment of stable and desirable character not out of harmony with its surrounding neighborhoods. The review by the commission shall consider the following design elements:
 - (a) *Privacy*. Personal and individual privacy shall be maintained and balanced with the provision of public and common areas.
 - (b) Variety. Interest and variety shall be sought by means of street design and changes in mixtures of building types, heights, facades, uses, setbacks, plants, or size of open space. The design should be harmonious as a whole and not simply from street-to-street.
 - (c) Traffic and parking. No through or commercial traffic should be permitted; streets should not be straight for long distances, but should curve so as to discourage fast movement of traffic; group parking areas should be screened as defined in section 6-3 so that the vehicles are substantially hidden from the street.
 - (d) Lot area and lot width, general. The commission will establish lot area and lot width. However, the minimum lot or width may not be reduced if the Houston County/Peach County Health Department determines that an increased area or width is necessary for health reasons.
 - (e) Setbacks. The commission will establish setback requirements for all structures.
 - (f) Open space. Open space should be incorporated into the PUD plan. It can be common areas, parks, recreational facilities, greenspace, landscape buffers, pedestrian trails, etc. The open space can be suitably improved or unimproved if containing natural features worth of preservation.
 - (g) Street standards. All streets in the PUD plan should be standard streets.
 - (h) Other building requirements. The commission shall determine other development standards.

2-3.5. Special exceptions.

- (A) In reviewing a proposed application for a special exception, the planning commission and the city council shall consider the following standards, where applicable:
 - (1) The existing land use pattern.
 - (2) Whether the proposed use is consistent with the Comprehensive Plan.
 - (3) Whether all proposed structures, equipment or material will be readily accessible for fire and police protection.
 - (4) Whether the proposed use will be of such location, size, and character that, in general, it will be in harmony with the appropriate and orderly development of the area in which it is proposed to be situated and will not be detrimental to the orderly development of adjacent properties or a deterrent to the improvement of adjacent properties in accordance with the zoning classification of such properties, the existing land use pattern or the Comprehensive Plan.
 - (5) Whether, in the case of any use located in, or directly adjacent to, a residential district or area:
 - (a) The nature and intensity of operations will be such that both pedestrian and vehicular traffic to and from the use and the assembly of persons in connection therewith will not be hazardous or inconvenient to, or incongruous with, said residential district or area, or conflict with the normal traffic of the neighborhood; and
 - (b) The location and height of buildings, and other structures, and the nature and extent of screening, buffering or landscaping on the site will be such that the use will not hinder or discourage the appropriate development and use of adjacent land and buildings in conformance with existing zoning districts and development pattern.
 - (6) Whether the proposed use will increase the population density resulting in the increase or overtaxing of the load on public facilities such as schools, utilities, streets, etc.; or approval of the use would encourage adjacent areas to develop at higher densities than provided in the comprehensive plan resulting in the overtaxing of such public facilities.
 - (7) Whether the proposed use will cause a health hazard, a public safety problem, or create a nuisance or cause excessively increasing traffic and associated congestion; create a drainage problem; generate unnecessary disturbance due to noise, the emission of smoke or other contaminants, odor, electrical interference, or cause pollution to land, air and/or water.
 - (8) Whether the proposed change will adversely affect property values in adjacent areas.
 - (9) Whether there are substantial reasons why the property cannot be used for a permitted use in the district where the property is located.

2-3.7. Variances.

- (A) In reviewing a proposed application for variance, the planning commission shall find that the application meets all the following standards:
 - By reason of exceptional narrowness, shallowness, shape, topographical conditions, or other extraordinary situations or conditions peculiar to a specific parcel of property, the strict application of these regulations would result in peculiar or unusual, practical, difficulties to or exceptional or undue hardship upon the owner of such property;
 - (2) Such variance is the minimum reasonably necessary to overcome the aforesaid exceptional conditions;
 - (3) Such variance can be granted without substantial impairment to the intent, purpose, and integrity of this chapter and/or the comprehensive plan or other master plan adopted for the property;
 - (4) Such variance will not be detrimental to the use and enjoyment of adjoining or neighboring properties.
- (B) Nothing herein shall permit the commission to grant a variance to any setback or yard requirements for property zoned for commercial or industrial purposes when such property abuts or immediately adjoins any property zoned for residential purposes unless such residential property is proposed for commercial or industrial use in the Comprehensive Plan.
- (C) Variances cannot be granted for use of land or structures not permitted or prohibited, or to increase the density of development for a tract beyond that permitted by the zoning district.
- (D) If the hardship invoking the provisions of this section was the result of the applicant's intentional disregard or willful failure to comply with the terms of this ordinance, the commission may refuse to grant a variance.

STAFF REPORT May 7, 2021

CASE NUMBER: RZNE-0091-2021

APPLICANT: Juanita Blanford

REQUEST: Rezone from C-2, General Commercial to R-3, Multi-Family Residential District

LOCATION: 711 Joe Louis Drive; Tax Map No. 0P0150 025000

ADJACENT ZONING/LANDUSES:

Subject Parcel: C-2, General Commercial District; vacant, undeveloped

North: R-3; single-family residence (vacant and abandoned)

South: C-2; single-family residence
East: R-3; vacant, undeveloped
West: C-2; vacant, undeveloped

BACKGROUND INFORMATION: The applicant is requesting to rezone the subject property from C-2, General Commercial, to R-3, Multi-family residential. According to the Houston County Assessor Records, the subject parcel is 0.12 acres. The property is located at 711 Joe Louis Drive.

The applicant owns the parcels located at 709 and 707 Joe Louis Drive in addition to the subject parcel, which are currently zoned R-3. The applicant is proposing to combine all three parcels into one, if 711 Joe Louis Drive is approved for rezoning, and develop four dwelling units.

STANDARDS GOVERNING ZONE CHANGES:

- 1. The suitability of the subject property for the zoned purposes. The subject property is unsuitable for commercial use as it is currently zoned. The small lot size of 0.12-acres would not be appropriate for any commercial development. All other occupied parcels on Joe Louis Drive are residential properties. Residential development on the subject property is more appropriate than commercial as it is currently zoned.
- 2. The extent to which the property values of the subject property are diminished by the particular zoning restrictions. Property values are diminished at the subject property because it is not feasible to develop under its current commercial zoning classification. The property cannot take advantage of its highest and best use unless it is zoned for residential development.
- The extent to which the destruction of property values of the subject property promotes the health, safety, morals or general welfare of the public. The current and proposed zoning classification does not pose any threat to the health, safety, morals, or general welfare of the public and surrounding neighborhood.
- 4. The relative gain to the public as compared to the hardship imposed upon the individual property owner. While the property owner faces hardship due to the impracticality of developing the lot as a commercial property, the neighborhood and public stand to gain a more appropriate development in the

neighborhood. The addition of new residential properties can enhance the neighborhood's aesthetics and potentially spur revitalization efforts. Further, the applicant's plan supports in-fill development in Perry's core area.

- 5. Whether the subject property has a reasonable economic use as currently zoned. The subject property does not have a reasonable economic use as it is currently zoned. Commercial development is not an appropriate use on the lot due to its small size.
- The length of time the property has been vacant as zoned considered in the context of land development in the area in the vicinity of the property. The subject property has never been developed.
- 7. Whether the proposed rezoning will be a use that is suitable in view of the uses and development of adjacent and nearby property. The use of the proposed zoning appears to have limited or no impact on surrounding properties. Most surrounding properties are residential and would not be negatively impacted by the development of additional residential properties.
- 8. Whether the proposed rezoning will adversely affect the existing use or usability of adjacent or nearby property. The proposed use of the property should not adversely affect existing uses or the usability of nearby properties based on the proposed layout of the site and the City of Perry's development standards.
- 9. Whether the zoning proposal is in conformity with the policies and intent of the land use plan. The subject property is identified as an "In-Town Corridor" character area in the 2017 Joint Comprehensive Plan Update. This character area encourages homes, shops, small businesses, and institutions grouped in attractive mixed-use centers. The proposed development of the subject property is expected to be aligned with similar uses located at adjacent properties, including properties currently zoned R-3.
- 10. Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools. While the subject property is currently undeveloped, any new development, including residential property, will increase the use of existing streets and utilities. Water, sewer, and natural gas service, if applicable, will be provided by the City of Perry. The two streets projected to be impacted by the proposed development are Joe Louis Drive and Walcott Street. Both of these streets are classified as residential city streets and have adequate capacity to serve the proposed project. The Houston County Board of Education has been notified of this project and confirmed that the schools do have adequate capacity to serve any additional students resulting from the project.
- 11. Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal. The approval of this zoning request would support consistent development along Joe Louis Drive. Since it is not feasible to develop a commercial use on the subject property, residential zoning is necessary for the property attain its highest and best use. The R-3 zoning classification will also support in-fill development within Perry's core area.

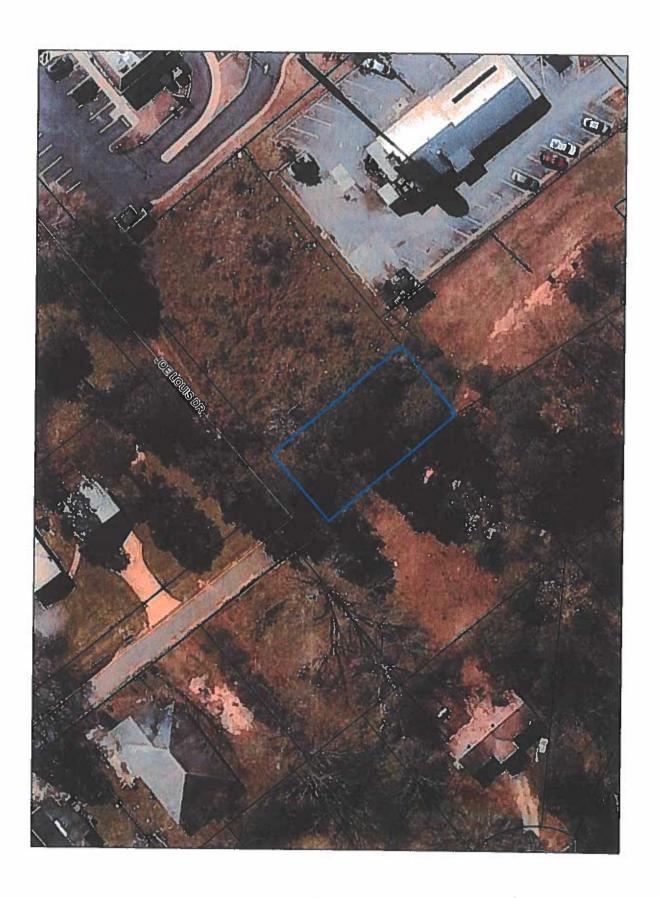

STAFF RECOMMENDATION: Staff recommends approval of the zoning change with the following condition:
 Prior to development of subject property, the lots owned by the applicant on Joe Louis Drive (707, 709, and 711) shall be combined in order to develop in conformance with Article 5 – Measurements and Dimensional Standards – of the Land Management Ordinance.

PLANNING COMMISSION RECOMMENDATION: The Planning Commission recommends approval of the zoning change with the following condition:

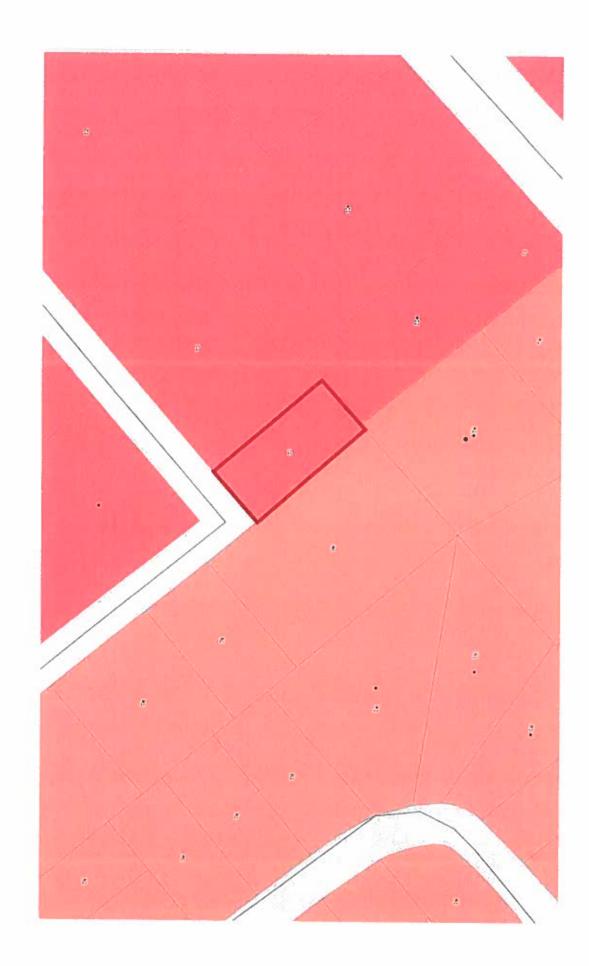

Prior to development of subject property, the lots owned by the applicant on Joe Louis Drive (707, 709, and 711) shall be combined in order to develop in conformance with Article 5 – Measurements and Dimensional Standards – of the Land Management Ordinance.

Standards for Granting a Rezoning

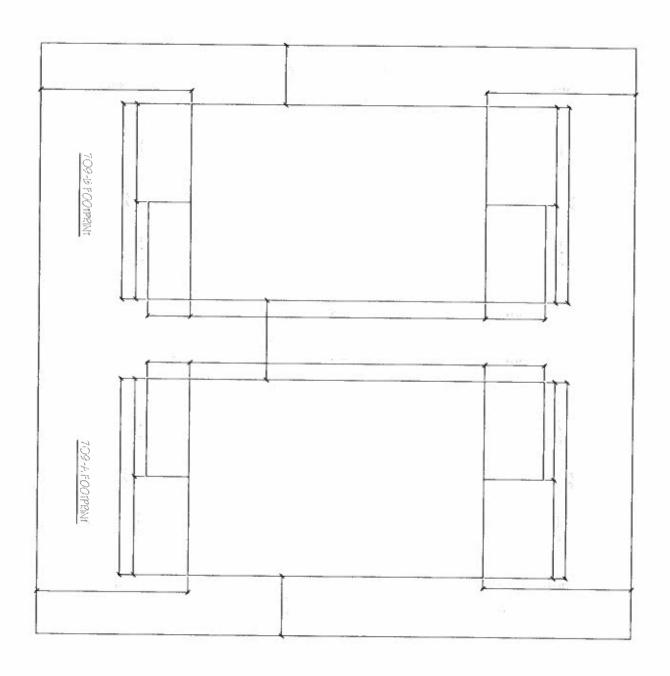

- Are there covenants and restrictions pertaining to the property which would preclude the uses permitted in the proposed zoning district?
- 2. Describe the existing land uses and zoning classifications of surrounding properties.
- 3. Describe the suitability of the subject property for use as currently zoned.
- Describe the extent to which the value of the subject property is diminished by the current zoning designation.
- Describe the extent to which the diminished property value promotes health, safety, morals, and general welfare of the public.
- 6. Describe the relative gain to the public compared to any hardship imposed on the property owner.
- 7. Describe how the subject property has no reasonable economic use as currently zoned
- 8. How long has the subject property been vacant as currently zoned, considering development in the vicinity?
- Describe how uses permitted in the proposed zoning district are compatible with the uses and development of surrounding properties.
- 10. Describe why the proposed zoning district will not adversely impact the use of surrounding properties.
- 11. Describe how the proposed zoning district is consistent with the Comprehensive Plan.
- Describe how the proposed zoning district will not cause an excessive burden upon existing public facilities and services.
- 13. Describe any other existing or changing conditions affecting the use and development of the subject property which support approval of the requested zoning district.

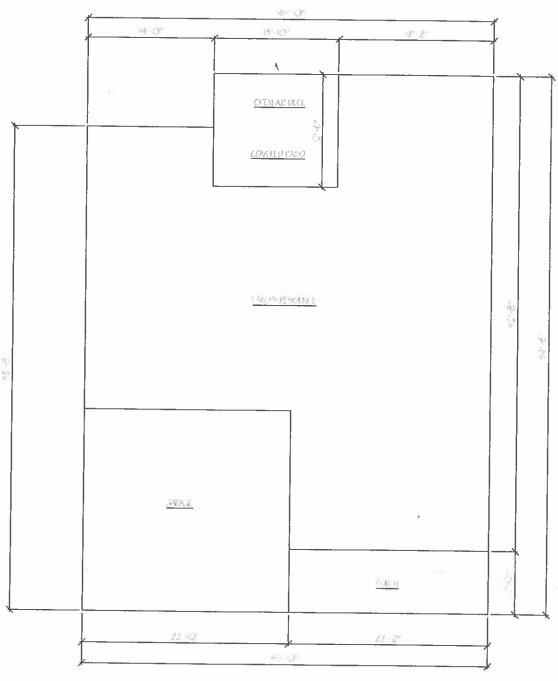

Standards for Granting a Rezoning

- 1. Yes, the existing residents would not be able to enjoy residential living. Business hours in residential neighbor, parking and size of lot.
- 2. The existing land uses and zoning classification of the surrouning properties is Residential.
- 3. Commercial use is unsuitable for the surrounding Residential Properties, and will preclude a business operation on this small lot size; traffic to and from, accessibility is deterred, exclude parking, and hinder enjoyment of surrounding residential living.
- 4. The property value is made less because commercial use is not feasible in the middle of the surrounding residentially used properties. Therefore, it's value is less because of the unsuitable business location warrants no business is used and nothing existing on the property.
- 5. Residential use instead of commercial is not an interruption of the current existing resdential use of land in the community, and sets the same existing atmosphere of the residential community use. Without Commercial Zoning and a business operating on the property, the residents can continue to enjoy their realestate, stay healthy & safe. I believe using the land for residential purpose, it is the acceptable thing to do for the residents of this community, that is right for the general welfaire of the public.
- 6. The same residental use is gain to the public, and removes the hardship on me, the property owner, of finding a business fitted for the lot size, practical and a service to the community.
- 7. Aid of production & consumption of goods and services are already allocated and fulfulled; ease of use amd efficient to individuals, people and businesses in this community.
- 8. Since inception of the current zoning this property has been vacant.
- 9. Uses permitted in the zoning districr are Residential, including my other two properties at 707 and 709 Joe Louis Drive, and very compatable with surrounding properties.
- 10. Residential Zoning for 711 Joe Louis Driv will maintain and coincide with the existing surrounding Residential Used Properties.
- 11. Residential Zoning for 711 Joe Louis Drive will maintain the use that surrounding properties are currently using, the Comprehensizve Plan.
- 12. Residential Zoining for 711 Joe Louis Drive will not cause any burden upon the existing public facilities and services because of the natural blend of residental living used that already resides.
- 13. Residential Zoning R3 for 711 Joe Louis Drive will allow residential development that will enhance the community value and maintain the same zoning as the surrounding properties.

ORDINANCE

AN ORDINANCE TO AMEND ARTICLE III – TRANSIENT OCCUPANCY TAX, OF CHAPTER 15 – LICENSES, TAXATION AND MISCELLANEOUS BUSINESS REGULATIONS, TO IMPLEMENT TITLE 48, CHAPTER 13, ARTICLE 3, SECTION 51(b) OF THE OFFICIAL CODE OF GEORGIA ANNOTATED, - EXCISE TAX ON ROOMS, LODGINGS, AND ACCOMMODATIONS, AND TO PROVIDE FOR THE COLLECTION BY OPERATOR; TO PROVIDE FOR ADMINISTRATION; TO PROVIDE FOR AN EFFECTIVE DATE; AND FOR OTHER PURPOSES

WHEREAS, the governing body of the City of Perry, a political subdivision of the State of Georgia, is authorized under Title 48, Chapter 13, Article 3, Section 51 of the Official Code of Georgia Annotated to levy certain excise taxes; and

WHEREAS, the City of Perry is designated as a "special district" pursuant to Title 48, Chapter 13, Article 50.1 of the Official Code of Georgia Annotated for the purpose of implementing an excise tax on rooms, lodging and accommodations; and

WHEREAS, House Bill 613 of the 2021 Regular Session of the Georgia General Assembly authorizes imposition of an excise tax of up to eight percent (8%) by the City of Perry, pursuant to O.C.G.A. §48-13-51(b); and

WHEREAS, the governing body of the City of Perry is required under Title 48, Chapter 13, Article 3, Section 51 of the Official Code of Georgia Annotated to make available a designated portion of funds so collected for the purpose of promoting, attracting, stimulating, and developing conventions and tourism by a destination marketing organization in the City of Perry; and

WHEREAS, the City of Perry is authorized under Title 48, Chapter 13, Article 3, Section 51 of the Official Code of Georgia Annotated to make available a designated portion of funds so collected for the purpose of tourism product development in the City of Perry, with any balance of the funds so designated for the purpose of promoting, attracting, stimulating, and developing conventions and tourism by a destination marketing organization in the City of Perry; and

WHEREAS, the options of local citizens having been heard at public meetings called for such purposes;

NOW THEREFORE, THE COUNCIL OF THE CITY OF PERRY HEREBY resolves to adopt an Excise Tax Ordinance pursuant to said authority; and therefore the COUNCIL OF THE CITY OF PERRY ORDAINS AS FOLLOWS:

1.

Sections 15-51, 15-52, 15-54 and 15-62 are repealed in their entirety.

2.

Section 15-51 is replaced to read as follows:

U.S. DEPARTMENT OF THE TREASURY CORONAVIRUS LOCAL FISCAL RECOVERY FUND AWARD TERMS AND CONDITIONS

1. Use of Funds.

- a. Recipient understands and agrees that the funds disbursed under this award may only be used in compliance with section 603(c) of the Social Security Act (the Act), Treasury's regulations implementing that section, and guidance issued by Treasury regarding the foregoing.
- b. Recipient will determine prior to engaging in any project using this assistance that it has the institutional, managerial, and financial capability to ensure proper planning, management, and completion of such project.
- 2. Period of Performance. The period of performance for this award begins on the date hereof and ends on December 31, 2026. As set forth in Treasury's implementing regulations, Recipient may use award funds to cover eligible costs incurred during the period that begins on March 3, 2021, and ends on December 31, 2024.
- 3. Reporting. Recipient agrees to comply with any reporting obligations established by Treasury as they relate to this award.

4. Maintenance of and Access to Records

- a. Recipient shall maintain records and financial documents sufficient to evidence compliance with section 603(c) of the Act, Treasury's regulations implementing that section, and guidance issued by Treasury regarding the foregoing.
- b. The Treasury Office of Inspector General and the Government Accountability Office, or their authorized representatives, shall have the right of access to records (electronic and otherwise) of Recipient in order to conduct audits or other investigations.
- c. Records shall be maintained by Recipient for a period of five (5) years after all funds have been expended or returned to Treasury, whichever is later.
- 5. <u>Pre-award Costs.</u> Pre-award costs, as defined in 2 C.F.R. § 200.458, may not be paid with funding from this award.
- 6. <u>Administrative Costs.</u> Recipient may use funds provided under this award to cover both direct and indirect costs.
- 7. Cost Sharing. Cost sharing or matching funds are not required to be provided by Recipient.
- 8. Conflicts of Interest. Recipient understands and agrees it must maintain a conflict of interest policy consistent with 2 C.F.R. § 200.318(c) and that such conflict of interest policy is applicable to each activity funded under this award. Recipient and subrecipients must disclose in writing to Treasury or the pass-through entity, as appropriate, any potential conflict of interest affecting the awarded funds in accordance with 2 C.F.R. § 200.112.

- 9. Compliance with Applicable Law and Regulations.
 - a. Recipient agrees to comply with the requirements of section 603 of the Act, regulations adopted by Treasury pursuant to section 603(f) of the Act, and guidance issued by Treasury regarding the foregoing. Recipient also agrees to comply with all other applicable federal statutes, regulations, and executive orders, and Recipient shall provide for such compliance by other parties in any agreements it enters into with other parties relating to this award.
 - b. Federal regulations applicable to this award include, without limitation, the following:
 - Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. Part 200, other than such provisions as Treasury may determine are inapplicable to this Award and subject to such exceptions as may be otherwise provided by Treasury. Subpart F – Audit Requirements of the Uniform Guidance, implementing the Single Audit Act, shall apply to this award.
 - ii. Universal Identifier and System for Award Management (SAM), 2 C.F.R. Part 25, pursuant to which the award term set forth in Appendix A to 2 C.F.R. Part 25 is hereby incorporated by reference.
 - iii. Reporting Subaward and Executive Compensation Information, 2 C.F.R. Part 170, pursuant to which the award term set forth in Appendix A to 2 C.F.R. Part 170 is hereby incorporated by reference.
 - iv. OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement), 2 C.F.R. Part 180, including the requirement to include a term or condition in all lower tier covered transactions (contracts and subcontracts described in 2 C.F.R. Part 180, subpart B) that the award is subject to 2 C.F.R. Part 180 and Treasury's implementing regulation at 31 C.F.R. Part 19.
 - v. Recipient Integrity and Performance Matters, pursuant to which the award term set forth in 2 C.F.R. Part 200, Appendix XII to Part 200 is hereby incorporated by reference.
 - vi. Governmentwide Requirements for Drug-Free Workplace, 31 C.F.R. Part 20.
 - vii. New Restrictions on Lobbying, 31 C.F.R. Part 21.
 - viii. Uniform Relocation Assistance and Real Property Acquisitions Act of 1970 (42 U.S.C. §§ 4601-4655) and implementing regulations.
 - ix. Generally applicable federal environmental laws and regulations.
 - c. Statutes and regulations prohibiting discrimination applicable to this award include, without limitation, the following:
 - i. Title VI of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000d et seq.) and Treasury's implementing regulations at 31 C.F.R. Part 22, which prohibit discrimination on the basis of race, color, or national origin under programs or activities receiving federal financial assistance;

- ii. The Fair Housing Act, Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§ 3601 et seq.), which prohibits discrimination in housing on the basis of race, color, religion, national origin, sex, familial status, or disability;
- iii. Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794), which prohibits discrimination on the basis of disability under any program or activity receiving federal financial assistance;
- iv. The Age Discrimination Act of 1975, as amended (42 U.S.C. §§ 6101 et seq.), and Treasury's implementing regulations at 31 C.F.R. Part 23, which prohibit discrimination on the basis of age in programs or activities receiving federal financial assistance; and
- v. Title II of the Americans with Disabilities Act of 1990, as amended (42 U.S.C. §§ 12101 et seq.), which prohibits discrimination on the basis of disability under programs, activities, and services provided or made available by state and local governments or instrumentalities or agencies thereto.
- 10. Remedial Actions. In the event of Recipient's noncompliance with section 603 of the Act, other applicable laws, Treasury's implementing regulations, guidance, or any reporting or other program requirements, Treasury may impose additional conditions on the receipt of a subsequent tranche of future award funds, if any, or take other available remedies as set forth in 2 C.F.R. § 200.339. In the case of a violation of section 603(c) of the Act regarding the use of funds, previous payments shall be subject to recoupment as provided in section 603(e) of the Act.
- 11. <u>Hatch Act.</u> Recipient agrees to comply, as applicable, with requirements of the Hatch Act (5 U.S.C. §§ 1501-1508 and 7324-7328), which limit certain political activities of State or local government employees whose principal employment is in connection with an activity financed in whole or in part by this federal assistance.
- 12. <u>False Statements</u>. Recipient understands that making false statements or claims in connection with this award is a violation of federal law and may result in criminal, civil, or administrative sanctions, including fines, imprisonment, civil damages and penalties, debarment from participating in federal awards or contracts, and/or any other remedy available by law.
- 13. <u>Publications</u>. Any publications produced with funds from this award must display the following language: "This project [is being] [was] supported, in whole or in part, by federal award number [enter project FAIN] awarded to [name of Recipient] by the U.S. Department of the Treasury."

14. Debts Owed the Federal Government.

- a. Any funds paid to Recipient (1) in excess of the amount to which Recipient is finally determined to be authorized to retain under the terms of this award; (2) that are determined by the Treasury Office of Inspector General to have been misused; or (3) that are determined by Treasury to be subject to a repayment obligation pursuant to section 603(e) of the Act and have not been repaid by Recipient shall constitute a debt to the federal government.
- b. Any debts determined to be owed the federal government must be paid promptly by

Recipient. A debt is delinquent if it has not been paid by the date specified in Treasury's initial written demand for payment, unless other satisfactory arrangements have been made or if the Recipient knowingly or improperly retains funds that are a debt as defined in paragraph 14(a). Treasury will take any actions available to it to collect such a debt.

15. Disclaimer.

- a. The United States expressly disclaims any and all responsibility or liability to Recipient or third persons for the actions of Recipient or third persons resulting in death, bodily injury, property damages, or any other losses resulting in any way from the performance of this award or any other losses resulting in any way from the performance of this award or any contract, or subcontract under this award.
- b. The acceptance of this award by Recipient does not in any way establish an agency relationship between the United States and Recipient.

Protections for Whistleblowers.

- a. In accordance with 41 U.S.C. § 4712, Recipient may not discharge, demote, or otherwise discriminate against an employee in reprisal for disclosing to any of the list of persons or entities provided below, information that the employee reasonably believes is evidence of gross mismanagement of a federal contract or grant, a gross waste of federal funds, an abuse of authority relating to a federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal contract (including the competition for or negotiation of a contract) or grant.
- b. The list of persons and entities referenced in the paragraph above includes the following:
 - i. A member of Congress or a representative of a committee of Congress;
 - ii. An Inspector General;
 - iii. The Government Accountability Office:
 - iv. A Treasury employee responsible for contract or grant oversight or management;
 - v. An authorized official of the Department of Justice or other law enforcement agency;
 - vi. A court or grand jury; or
 - vii. A management official or other employee of Recipient, contractor, or subcontractor who has the responsibility to investigate, discover, or address misconduct.
- c. Recipient shall inform its employees in writing of the rights and remedies provided under this section, in the predominant native language of the workforce.
- 17. Increasing Seat Belt Use in the United States. Pursuant to Executive Order 13043, 62 FR 19217 (Apr. 18, 1997), Recipient should encourage its contractors to adopt and enforce on-the-job seat belt policies and programs for their employees when operating company-owned, rented or personally owned vehicles.
- 18. Reducing Text Messaging While Driving. Pursuant to Executive Order 13513, 74 FR 51225 (Oct. 6, 2009), Recipient should encourage its employees, subrecipients, and contractors to adopt and enforce policies that ban text messaging while driving, and Recipient should establish workplace safety policies to decrease accidents caused by distracted drivers.

ASSURANCES OF COMPLIANCE WITH CIVIL RIGHTS REQUIREMENTS

ASSURANCES OF COMPLIANCE WITH TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

As a condition of receipt of federal financial assistance from the Department of the Treasury, the recipient named below (hereinafter referred to as the "Recipient") provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to the Recipient's beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits.

The assurances apply to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Recipient may request in the future.

The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the operations of the Recipient's program(s) and activity(ies), so long as any portion of the Recipient's program(s) or activity(ies) is federally assisted in the manner prescribed above.

- 1. Recipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
- 2. Recipient acknowledges that Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency," seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Recipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury's implementing regulations. Accordingly, Recipient shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient's programs, services, and activities.
- 3. Recipient agrees to consider the need for language services for LEP persons when Recipient develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit http://www.lep.gov.

OMB Approved No. 1505-0271 Expiration Date: November 30, 2021

4. Recipient acknowledges and agrees that compliance with the assurances constitutes a condition of continued receipt of federal financial assistance and is binding upon Recipient and Recipient's successors, transferees, and assignees for the period in which such assistance is provided.

5. Recipient acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between the Recipient and the Recipient's sub-grantees, contractors, subcontractors, successors, transferees, and assignees:

The sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement). Title VI also includes protection to persons with "Limited English Proficiency" in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.

- 6. Recipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Recipient for the period during which it retains ownership or possession of the property.
- 7. Recipient shall cooperate in any enforcement or compliance review activities by the Department of the Treasury of the aforementioned obligations. Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of any settlement agreements that may result from these actions. The Recipient shall comply with information requests, on-site compliance reviews and reporting requirements.
- 8. Recipient shall maintain a complaint log and inform the Department of the Treasury of any complaints of discrimination on the grounds of race, color, or national origin, and limited English proficiency covered by Title VI of the Civil Rights Act of 1964 and implementing regulations and provide, upon request, a list of all such reviews or proceedings based on the complaint, pending or completed, including outcome. Recipient also must inform the Department of the Treasury if Recipient has received no complaints under Title VI.
- 9. Recipient must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other

OMB Approved No. 1505-0271 Expiration Date: November 30, 2021

agreements between the Recipient and the administrative agency that made the finding. If the Recipient settles a case or matter alleging such discrimination, the Recipient must provide documentation of the settlement. If Recipient has not been the subject of any court or administrative agency finding of discrimination, please so state.

10. If the Recipient makes sub-awards to other agencies or other entities, the Recipient is responsible for ensuring that sub-recipients also comply with Title VI and other applicable authorities covered in this document State agencies that make sub-awards must have in place standard grant assurances and review procedures to demonstrate that that they are effectively monitoring the civil rights compliance of sub-recipients.

The United States of America has the right to seek judicial enforcement of the terms of this assurances document and nothing in this document alters or limits the federal enforcement measures that the United States may take in order to address violations of this document or applicable federal law.

Under penalty of perjury, the undersigned official(s) certifies that official(s) has read and understood the Recipient's obligations as herein described, that any information submitted in conjunction with this assurances document is accurate and complete, and that the Recipient is in compliance with the aforementioned nondiscrimination requirements.

Mr. Chad McMurrian Engineering Services Manager City of Perry PO Box 2030 Perry, GA 31069

RE: Bear Branch Sewer Expansion Phase IB— Pump Station and Gravity Sewer Recommendation of Contract Award GWES Project No. 033.45.1.20(B)

Mr. McMurrian,

This letter shall serve as our Recommendation of Award of the contract for construction of the referenced project.

During advertisement of the project, bid solicitation included invitations to twentynine (29) contractors as well as inclusion on the Georgia Procurement Registry. A non-mandatory pre-bid meeting, held on April 15, 2021, was attended by four (4) contractors. There were eleven (11) planholders for the project.

After the advertisement period, sealed bids were received until 2:00 p.m., Thursday, May 6, 2021, at Perry City Hall and thereafter publicly opened, read, and recorded. Responsive bids were submitted by seven (7) contractors. We have examined the submitted bids and determined that Pyles Plumbing and Utility Contractors, Inc. is the low, responsive bidder. Please refer to the attached Official Bid Tabulation for the project bid specifics.

In due diligence, GWES performed an evaluation of the completeness of the bids and on the contractor's capability to perform the work. Based on the Qualifications of Bidders and work previously performed for the City, GWES finds no apparent reason to believe that Pyles Plumbing and Utility Contractors, Inc., cannot complete the work satisfactorily within the 180-day project schedule. We therefore recommend that this project be awarded to Pyles Plumbing and Utility Contractors, Inc. for the bid amount of \$1,132,988.25.

Supporting documentation is included for your review and records. Upon the City's approval, we will prepare the contracts for execution. If you have any questions or require additional information, please contact us.

Respectfully,

Burke B. Murph III, PE, MBA Principal

MEMORANDUM

TO: Mayor & City Council

FROM: Mitchell Worthington, Finance Director

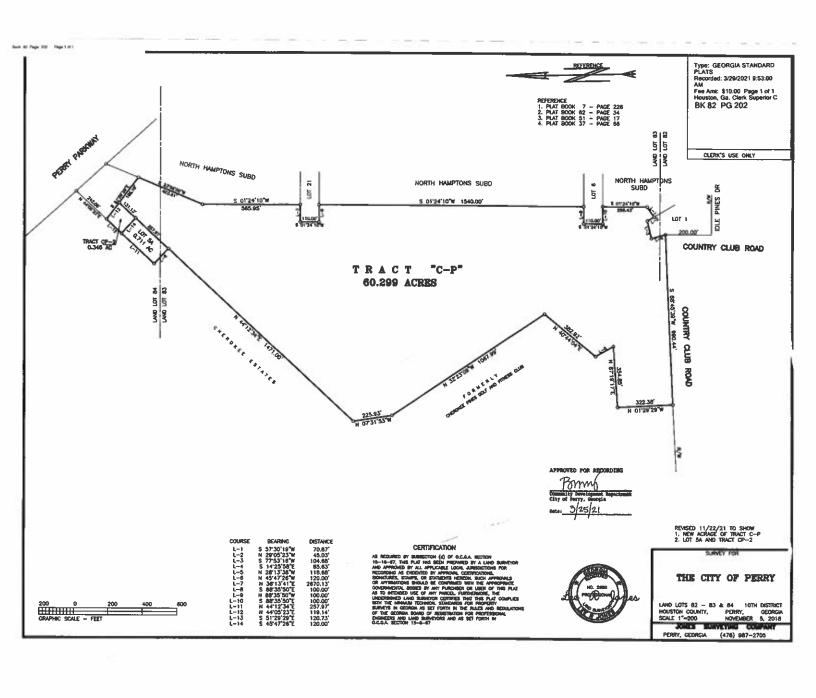

DATE: June 9, 2021

RE: Sale of Surplus Land Adjacent to Pine Needle Park

Per your guidance at the April 6, 2021 Mayor & City Council meeting, Staff advertised the sale of approximately .345 acres of surplus land shown as "Tract CP-2" on the attached survey. One bid was received in the amount of \$5,305 from Mr. John G. Walker.

It is Staff's recommendation that the City accept Mr. Walker's bid and move forward with the sale of this property.

REFERENCE:

Sign inventory

Attached is a proposal from the Middle Georgia Regional Commission to update the City's traffic control signage. The original survey was done in 2016. It needs to be confirmed, add new signage and update the data base. The Department of Public Works recommends the task. It is a great tool for signage replacement, new signs and insurance claims. This would be paid from the General Fund.

MEMORANDUM OF AGREEMENT (MOA) BETWEEN MIDDLE GEORGIA REGIONAL COMMISSION AND CITY OF PERRY

This MEMORANDUM OF AGREEMENT by and between the Middle Georgia Regional Commission (hereinafter referred to as "the RC") and the City of Perry (hereinafter referred to as "CITY") is subject to proper execution.

WHEREAS, the CITY desires that the RC assist with the development of an inventory of regulatory street signage within the City limits, to include geographic location of the signage, sign type, and photographic identifier; and

WHEREAS, the RC has the staff and expertise to develop such an inventory.

NOW, THEREFORE, BE IT RESOLVED that the RC and the CITY do mutually agree as follows:

(01) Terms of Agreement

Upon execution by the appropriate parties, the RC agrees to collect and validate City of Perry street sign inventory. In consideration of the following mutual promises, covenants, and conditions, it is agreed that the RC will be responsible for performance under this Agreement, as described in Section 04, **Scope of Work**.

(02) Project Title

City of Perry Sign Inventory Update

(03) Background

The CITY has identified the need to have an updated and accurate inventory of its street sign infrastructure for a variety of reasons. Using the RC created GIS-based web map application, the RC will conduct a street sign inventory including validating the existing 2,928 signs, adding new signs, and deleting signs from the existing City of Perry GIS database. The street sign validation will mitigate accident liability, provides for a more efficient sign replacement/maintenance process, and conforms to a variety of state/federal mandates and regulations (i.e., MUTDC, Retro reflectivity, GASB, etc...). The Regional Commission has the staff time, technical expertise, and experience to validate this data for the CITY.

(04) Scope of Work

Specifically, the RC will accomplish or cause to be accomplished the following with the direction and assistance of the CITY:

 The RC will conduct a field inventory of all street signage within the City limits of Perry, revisiting the 2,928 signs collected in 2016. Street signage will be defined as in the Federal Highway Administration's (FHWA) Manual on Uniform Traffic Control Devices for Streets and Highways (MUTCD) 2012 Supplement to the 2004 Edition, excluding temporary traffic control signs. The location and type of each road sign will be mapped and saved into the existing GIS database; and a photograph of each sign location will be attached to the associated geographic feature record.

- 2. An interactive map of the sign inventory will be prepared for viewing and tracking progress during the course of the data collection, and for use in inventory management by CITY staff after the initial data collection is completed.
- 3. CITY staff will be trained on data collection procedures and modification of feature records to ensure the continued maintenance of the inventory as a GIS resource into the future.

(05) Schedule/Timeline

Upon proper execution of this Agreement, the RC agrees to initiate work immediately. Services provided under this Agreement will continue until the above components in the Scope of Work are completed (approximately 3-4 months), which is anticipated to be by **December 31, 2021**. This Agreement may be extended with written agreement from both parties. Delays on the part of those parties may result in corresponding delays on the part of RC regarding delivery of related products and services, with no injury or penalty accruing to RC.

Any reference to "days" in this Agreement shall be deemed **calendar days** unless otherwise specifically stated.

(06) Compensation

The City of Perry street database includes 2,928 signs for the RC to revisit and validate. The CITY and the RC agree to a minimum threshold and cost, and a tiered, per-sign cost after the minimum threshold is exceeded, described as follows:

- A. The CITY agrees to pay a minimum of **\$7,500** to the RC for the services outlined in Section 04, to include a minimum of the existing 2,928 individual sign records.
- B. For signs inventoried that exceed the 2,928-threshold a per-sign cost for collection will be charged in accordance with the following tiered schedule:

a.	2,928 – 3,500 Signs	\$2.50/Sign
b.	3,501 – 4,000 Signs	\$2.25/Sign
c.	4,001 – 4,500 Signs	\$2.00/Sign
	4,501+ Signs	

The RC will notify the CITY as each tiered threshold is reached.

The CITY agrees to pay the RC in accordance with the above referenced schedule, upon receipt of an invoice and confirmation of the final total of signs collected and delivery of services and products outlined in this agreement.

(07) Termination of the Contract for Cause

If, through any cause, the RC shall fail to fulfill in a timely and proper manner its obligation under this Agreement, or if the RC shall violate any of the covenants, agreements, or stipulations of this Agreement, the CITY shall have the right to terminate this Agreement by giving written notice to the RC of such termination and specifying the effective date thereof, at least thirty (30) days prior to the effective date of such termination. In that event, all geospatial features and data compiled in the map application shall be provided to the CITY. The RC shall be entitled to receive just and equitable compensation for any satisfactory work

completed and any outstanding obligations. Also, the CITY shall be entitled to receive a prorated refund of payment for any work not complete at time of termination.

(08) Termination for the Convenience of the RC

The RC may terminate this Agreement at any time by giving written notice to the CITY of such termination and specifying the effective date thereof, at least thirty (30) days prior to the effective date of such termination. In that event, all files and information associated with the project shall be provided to the CITY. The RC shall be entitled to receive just and equitable compensation for any satisfactory work completed and any outstanding obligations on such documents. Also, the CITY shall be entitled to receive a pro-rated refund of payment for any work not complete at time of termination.

(09) Amendments/Modifications

From time to time, the CITY and the RC may mutually consent to changes in the **Scope of Work** or any other aspect of this Agreement. Such changes, including any increases or decreases in the compensation paid to the RC, shall be incorporated in written amendments to this Agreement and signed by the duly authorized representatives of both parties.

This Agreement may be modified only by a formal, written modification signed by authorized representatives of both the CITY and the RC. All changes to the **Scope of Work** and/or any other aspect of this Agreement shall be agreed upon and mutually accepted via contract amendments executed by the CITY and the RC.

(10) Access to Applicable Records

The RC agrees to preserve all its records bearing upon the amounts payable under this Agreement and further agrees that any specifically authorized representative of the CITY shall, until the expiration of three (3) calendar years after final payment under this Agreement, have access to and the right to examine any directly pertinent books, documents, papers, and records of the RC involving transactions related to this Agreement.

(11) Right to Audit

The RC agrees to give the CITY, through any authorized representative, the right to audit all records, books, papers, or documents related to the Agreement for up to three (3) calendar years after completion of this Agreement.

(12) Publication of Results

Should the parties to this Agreement decide that it would be advantageous to publish the results of this cooperative undertaking, the determination of same shall be made jointly and be agreeable to each party. Publication by either party shall give proper credit to the other party.

(13) Assignment of Duties

The RC shall not assign its duties under this Agreement without prior express written approval of the CITY.

(14) Nondiscrimination

Neither party to this Agreement will discriminate against any employee or applicant for

employment or against any applicant for enrollment at any school or college or against any student in his/her course of study or training because of race or ethnicity, gender, creed, national origin, age, religion, sexual orientation, veteran status, or disability.

(15) Ownership

All data produced in whole or in part under this contract **shall remain the property of the CITY**. Furthermore, the RC will not apply for a copyright for any reports, data, or other documents produced in whole or in part under this Agreement.

(16) Drug- and Smoke-Free Workplace

The RC hereby certifies that it will not engage in the unlawful manufacture, sale, distribution, possession, or use of a controlled substance or marijuana during the performance of this Agreement.

(17) Entire Agreement

MIDDLE GEORGIA REGIONAL

This Agreement (and all documents incorporated herein) constitutes the entire agreement between the parties with respect to the subject matter and supersedes all prior and contemporaneous agreements, representations, statements, negotiations, and undertakings, whether oral or written.

IN WITNESS WHEREOF the CITY and the RC have executed this Agreement as of the date first above written.

SPECIAL DISTRICT MASS TRANSPORTATION SALES AND USE TAX INTERGOVERNMENTAL AGREEMENT

THIS Intergovernmental Agreement (the "Agreement") is made and entered into effective the _____ day of ______, 2021, by and between Peach County, Georgia (the "County"), the Cities of Byron, Fort Valley, Perry, and Warner Robins, Georgia (the "Cities"), both acting pursuant to lawful authority by their respective governing bodies do hereby agree as follows.

WITNESSETH

WHEREAS, Article SA of Chapter 8 of Title 48 of the Official Code of Georgia Annotated, as amended titled "Special District Mass Transportation Sales and Use Tax" (the "TSPLOST Act") authorizes the imposition of a 1 percent Sales and Use Tax (the "Sales and Use Tax") for purposes, of financing capital outlay projects as specified in O.C.G.A. Section 48-8-260(4)(A)(B)(C) and (D); and

WHEREAS, in accordance with the requirements of O.C.G.A. Section 48-8-262(a)(2), the County and Cities met on February 26, 2021, to discuss the rate of tax and possible projects for inclusion in a TSPLOST referendum to be held on the 2nd day of November 2021; and

WHEREAS, the County and Cities wish to use the proceeds of the proposed Sales and Use Tax for the purposes described above.

NOW, THEREFORE, in consideration of the mutual promises and understandings made in this Agreement, and for other good and valuable consideration, and in accordance with O.C.G.A. Section 48-8-262(b)(i), the County and the Cities consent and agree as follows:

SECTION I. Representation of the Parties. The parties hereto make the following representations and warranties which are specifically relied upon by both parties as a basis for entering into this Agreement.

The County agrees that it will take all actions necessary to call a referendum election to be held in all the voting precincts in the County on the 2nd day of November 2021, for the purpose of submitting to the qualified voters of the County for their approval, the question of whether or not a Special District Mass Transportation Sales and Use Tax of 1 percent shall be imposed on all sales and uses in the special district of Peach County, as authorized by the TSPLOST Act for 20 calendar quarters (five years), commencing on the 1st day of April 2022, for the purpose of funding both the County and the Cities projects specified in Appendix A attached hereto (hereinafter more fully referred to and hereby defined collectively as the "Projects").

The amount of money to be raised by the Sales and Use Tax is estimated to be twenty-seven million dollars (\$27,000,000).

The Cities are a municipal corporation as defined by law and judicial interpretation and are "Qualified municipalities" as such term is defined in O.C.G.A. Section 48-8-260(3) and validly adopted an ordinance to authorize it to enter into this Agreement with the County at a public meeting of its governing board conducted in compliance with the Open Meetings Act, O.C.G.A. Section 50-14-1, et seq.

The County is a political subdivision of the State of Georgia created and existing under the Constitution and laws of the State and validly adopted a resolution to authorize it to enter into this Agreement with the Cities at a public meeting conducted in compliance with the Open Meetings Act, O.C.G.A. Section 50-14-1, et seq.

In executing this Agreement, it is the intention of the parties to comply in all respects with O.C.G.A. Section 48-8-260 et.seq., the TSPLOST Act, and all provisions of this Intergovernmental Agreement shall be so construed.

SECTION II. Conditions Precedent. The obligations of the parties under this Agreement are conditioned upon the following events:

The adoption of a resolution by the Board of Commissioners of Peach County authorizing the imposition of the Special District Mass Transportation Sales and Use Tax and calling the referendum election hereinbefore referred to.

The approval at the referendum election of the Special District Mass Transportation Sales and Use Tax by a majority of the voters in the County voting in the election for that purpose.

SECTION III. Apportionment of Proceeds. All funds received by the parties from the Georgia Department of Revenue from the imposition of the Special District Mass Transportation Sales and Use Tax shall be apportioned by the County and Cities according to the formula provided herein. The parties hereto understand and agree that the figures set forth herein are binding and not subject to change or modification except upon written agreement by all parties.

The County Projects and the Cities Projects to be funded with the proceeds from the Special District Mass Transportation Sales and Use Tax are specified in Appendix A attached hereto (the "County Projects" and the "Cities Projects" and collectively "the Projects").

The parties agree that the distribution of the TSPLOST collected proceeds shall be disbursed to the respective parties as follows: 62.93 percent of the collected proceeds to the County, 16.76 percent of the collected proceeds to the City of Fort Valley, 17.23 percent of the collected proceeds to the City of Byron, 1.89 percent of the collected proceeds to the City of Warner Robins, and 1.19 percent of the collected proceeds to the City of Perry.

The parties hereto understand and agree that the Projects may be financed with net proceeds of Cities and County debt. In that case, proceeds of the Special District Mass Transportation Sales and Use Tax will be used to pay debt service due on the Cities and County Debt prior to being used to pay the costs of the Projects not financed with net debt proceeds.

Bond Issuance breakdown:

Peach County - \$11,800,000 City of Fort Valley - \$ 3,200,000 City of Byron - \$ 3,200,000

The costs of the Projects listed in Appendix A are estimated amounts and the Cities and the County may adjust the allocation of its Special District Mass Transportation Sales and Use Tax Proceeds to their different Projects as needed.

The parties also understand that the distribution amounts in Appendix A attached herein are based on the assumption that the Special District Mass Transportation Sales and Use Tax raises the estimated amount of twenty-seven million dollars (\$27,000,000).

Upon receipt by the County of TSPLOST proceeds collected by the State Department of Revenue, the County

shall immediately deposit said proceeds in the TSPLOST Fund. The monies in the TSPLOST Fund shall be held and applied to the cost of acquiring, constructing, and installing the County capital projects listed in Exhibit A.

The County, following the deposit of the TSPLOST proceeds in the TSPLOST Fund, shall within 10 business days disburse the TSPLOST proceeds due to each Municipality pursuant to the percentage allocations specified in Section 3 of this Agreement. The proceeds shall be deposited in the separate funds established by each Municipality.

Should any Municipality cease to exist as a legal entity before all funds are distributed under this Agreement, that Municipality's share of the funds subsequent to dissolution shall be paid to the County as part of the County's share unless an act of the Georgia General Assembly makes the defunct Municipality part of another successor Municipality. If such an Act is passed, the defunct Municipality's share shall be paid to the successor Municipality for the duration of the tax.

SECTION IV. Term of the Agreement. The term of this Agreement shall expire at the later of September 30, 2026, or the date that the accounts of both parties holding Special District Mass Transportation Sales and Use Tax proceeds are fully depleted, but in no event shall this Agreement run for more than 60 months from the date hereof. If the voters of the County shall fail to approve the Special District Mass Transportation Sales and Use Tax in the called referendum, this Agreement shall be of no force and effect after the date of such failure to approve.

SECTION V. Mutual Covenants. Each party to this Agreement does hereby covenant and agree to the following:

The parties hereto agree that they will maintain specific records for the Special District Mass Transportation Sales and Use Tax Proceeds each receives to verify that all such proceeds so received are expended for the purposes set forth in Appendix A attached hereto.

The parties hereto agree that to the extent lawfully permitted, if debt proceeds allocated to a particular project are not needed to complete such project, either the Cities or the County may reallocate such debt proceeds to any projects of the Cities or the County which are set forth in Appendix A attached hereto.

Special District Mass Transportation Sales and Use Tax proceeds received by the County and the Cities shall be kept in a separate account from other funds of such County or Cities, shall not in any way be commingled with other funds of such County or Cities, and shall be used exclusively for the specified purposes.

Transportation purposes and projects shall be fully or partially funded in accordance with the schedule found in Appendix A, but the order and priority within which the parties shall undertake and complete their respective purposes and projects shall be solely determined by the respective parties as to their projects.

SECTION VI. Project Monitoring, Record-Keeping, and Reporting. All parties to this Agreement shall promptly move forward with the acquisition, construction, equipping, and priority installation of the Projects efficiently and economically and at a reasonable cost in conformity with all applicable laws, ordinances, rules, and regulations of any governmental authority having jurisdiction in the premises. The governing authority of the County and governing authority of the Cities shall comply with the requirements of O.C.G.A. Section 48-8-269.5(a)(2) which requires that certain information be included in the annual audit of such County or the Cities and O.C.G.A. Section 48-8-269.6 which requires the publication of annual reports concerning expenditures for the Projects.

SECTION VII. Arbitration. The parties hereto agree to submit any controversy arising under this Agreement to arbitration pursuant to the provisions of O.C.G.A. Section 9-9-1 et. seq., the Georgia Arbitration Code. Such arbitration shall in all respects be governed by the provisions of the Arbitration Code and the parties hereby agree to comply with and be governed by the provisions of said Arbitration Code as to any controversy so submitted to arbitration.

SECTION VIII. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

SECTION IX. Governing Law. This Agreement and all transactions contemplated hereby shall be governed by, construed, and enforced in accordance with the laws of the State of Georgia.

SECTION X. Severability. Should any provision of this Agreement or application thereof to any person or circumstance be held invalid or unenforceable, the remainder of this Agreement or the application of such provision to any person or circumstance, other than those to which it is held invalid or unenforceable, shall not be affected thereby, and each provision of this Agreement shall be valid and enforceable to the full extent permitted by law.

SECTION XI. Notices. All notices, demands, or requests required or permitted to be given pursuant to this Agreement shall be in writing and shall be deemed to have been properly given or served and shall be effective on being deposited or placed in the United States mail, postage prepaid, and registered or certified with return receipt requested to the addresses appearing below, or when delivered by hand to the addresses indicated below:
