Bid 2025-37 Natural Gas Main Clearing – ADDENDUM ONE

DATE: June 9, 2025

PROJECT: Natural Gas Main Clearing
Bid 2025-37

This addendum supersedes and supplements all portions of the bid documents for the above referenced project.

Where any item called for in the requirement is supplemented hereby, the original requirements shall remain in effect.

Where any original item is amended, voided, or superseded hereby, the provision of such item not so specifically amended, voided, or superseded shall remain in effect.

Addendum

- Unable to access some High-Pressure Mains to perform an accurate Leak Survey due to overgrowth and full-grown trees. Our SRCS Compliance Specialist recommended not uprooting the trees as the roots may cause Natural Force Damage but to hire a company to cut down all the trees and have bushes cut back as well as keeping these right of ways mowed.

Areas need attention are:

- Perry Parkway – between Washington Place and Houston Lake Rd, Houston Lake Rd **.35 miles Gas Main 83' from edge of road**

- W Perry Parkway – between Hwy 341 S and Valley Dr **.9 miles**
