Mandatory Section 3 Solicitation Package

This mandatory solicitation package has been developed in accordance with DCA's Section 3 Policy for Covered HUD Funded Activities. DCA encourages all sub-recipients, contractors, and sub-contractors to review this policy prior to completion of the solicitation package. For those solicitations that meet the applicable Section 3 thresholds, this package must be returned in accordance with the applicable instructions to the contracting entity prior to award **or at the time of submission of a bid/proposal in order to claim a Section 3 preference**. The Section 3 Clause, required forms, and instructions are included in this package.

To be considered for a contract award exceeding \$100,000, the entire solicitation package must be satisfactorily completed and submitted prior to award. In order to claim a preference for a contract award exceeding \$100,000, the Section 3 Self-Certification and Action Plan and the Section 3 Business Concern Self Certification portions of the solicitation package must be satisfactorily completed and submitted at the time of submission of a bid/proposal.

For Section 3 Covered Assistance of \$100,000 or less, the solicitation package must be made available to bidders/offerors in accordance with DCA's Section 3 Policy; however, bidders/offerors are not required to submit the solicitation package unless a preference is being claimed. In this case, only the Section 3 Self-Certification and Action Plan and the Section 3 Business Concern Self Certification must be completed at the time of submission of a bid/proposal

Any bid/proposal claiming a preference must include the completed and signed Section 3 Self-Certification and Action Plan and the Section 3 Business Concern Self Certification, and be submitted by the bid/proposal deadline.

The following Section 3 forms must be completed and returned as instructed:

- Section 3 Self Certification and Action Plan
- Previous Section 3 Compliance Certification
- Assurance of Compliance Certification

Additionally, if the contractor is claiming certification as a 51% Resident Owned Business (ROB) or is certifying as a 30% employer, the Resident Self-Certification and Skills Data Form must be returned for all employees who meet the low- or very low-income requirement as well as the appropriate Section 3 Business Certification.

Section 3 Solicitation Overview and Instructions for Contractors

The DCA Section 3 Policy requires that, when the **Section 3 regulation is triggered**, every effort within the contractor's disposal must be made, to the greatest extent feasible, to offer all available employment and contracting opportunities to Section 3 residents and Section 3 businesses based on the compliance methods below.

All Contracts and All Contractors must meet Section 3 compliance by:

- A. Giving notice of any and all opportunities for employment and contracting to residents of the local Public Housing Authority (PHA), and other low and very low income area residents and businesses, by posting the opportunity in community sources generally available to low income residents and the general public. Exercising a **minimum of three (3)** of the following listed sources must be completed prior to offering employment to anyone not covered by Section 3 requirements:
 1. The local community newspaper
 2. The most widely distributed newspaper
 3. Company or agency website
 4. The management office of the local housing authority/homeless service agency/local low income housing community
 5. Local Workforce Board (i.e. Department of Labor)
 6. Local office of the Georgia Division of Family and Children Services
 7. Dodge Room <http://www.construction.com/dodge/dodge.asp>
 8. Other locations as approved by DCA
- B. The sub-recipient or contractor must check the HUD Section 3 Business Registry to determine if there are any Section 3 businesses in the County where the work will be performed. If there are Section 3 businesses in the County that may be able to perform the work, the sub-recipient or contractor must provide a copy of the contracting opportunity(ies) (e.g., bid notices) to the Section 3 businesses. See the HUD Section 3 Business Registry at: <https://portalapps.hud.gov/Sec3BusReg/BRegistry/What>.
- C. Clearly stating in notices that the position is a "Section 3 covered position under the HUD Act of 1968 and that Section 3 Residents and Business Concerns are encouraged to apply."
- D. Placing the Section 3 Clause provided in Appendix A in ALL solicitations.
- E. When possible, other activities may be done to demonstrate effort to comply with the Safe Harbor Limits. These other efforts are listed in the appendix to part 135 of the Code of Federal Regulations—24 CFR Part 135 and include:
 1. Distributing or posting flyers advertising positions to be filled;

2. Contacting the local government or housing authority for a list of residents who have expressed interest in Section 3 employment;
 3. Holding job informational meetings for residents, contractors, etc...;
 4. Contacting agencies administering HUD YouthBuild programs and requesting their assistance in recruiting HUD YouthBuild program participants for training and employment positions.
- F. Linking residents or businesses to local resources that may be available to help prepare them for applying for and achieving the opportunity.
- G. Working with DCA, the subrecipient or contractor as applicable in developing a communication and follow up process to track and report all Section 3 applications and hiring activities to ensure the reporting of compliance efforts, and that contracting and sub-contracting are accurate. Provide preference in hiring and contracting to Section 3 applicants and contractors when employment or contracting opportunities are offered and all requirements are met and remain equal. Contractors must:
1. Provide this package to all sub-contractors when soliciting bids for all contracts or sub-contracts;
 2. Meet all the same processes in A-E; and
 3. Provide Preference to all sub-contractors meeting the definitions as stated in Section VI of DCA's Section 3 Policy for Covered HUD Funded Activities.
- H. In order for Preference as a Section 3 Contractor to be factored into the award decision, all elements of the solicitation criteria must be equal between contracts. This means price and all other factors must be equal. Then the contractors that elect Preference on the Certification and Action Plan form that meet that Preference criterion will be provided Preference in the award of the contract as provided in Part VI., Preferences and Eligibility of DCA's Section 3 Policy for Covered HUD Funded Activities.

Example:

Bill's electrical and Sue's Electrical bid a job where the housing authority has a budget of \$500,000. Bill bids \$480,000 and elects a Preference as a Section 3 business concern because he qualifies as a 51% Resident Owned Business. Sue bids \$450,000 but does not elect any Preference. Both companies met all the other requirements. Sue will be awarded the contract because Bill's bid was higher.

Important items to remember about receiving Preferences in contract award:

All contractors and/or subcontractors that elect a Preference and are awarded a contract must be in compliance prior to the issuance of a Notice to Proceed by DCA, the subrecipient, or the contractor based on the policies established for the applicable DCA funding program. The contractor and/or subcontractor must maintain the elected Preference standard during the entire contract or risk having the contract terminated for failure to comply. **See Appendix B for further details.**

When a contractor and/or subcontractor that elected a Preference is unable to identify a Section 3 resident or a Section 3 business for employment or contracting opportunities, the contractor then **must** offer employment related training to the Section 3 residents in the county. The training must be provided according to Part VII – Other Economic Opportunities in DCA’s Section 3 Policy.

Appendix A **Section 3 Clause**

Training and Employment Opportunities for Residents in the Project Area (Section 3, HUD Act of 1968; 24 CFR 135)

(a) The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

(b) The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

(c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of Section 3 apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

(d) The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

(e) The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.

(f) Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

Appendix B

Section 3 Contract Non-Compliance Cure /Termination Processes

This language is a component of contract compliance with the work to which you are responding in this solicitation. The full requirements are provided in the Section 3 Clause found elsewhere in this package and in DCA's Section 3 Policy for Covered HUD Funded Activities.

Any subrecipient or contractor claiming Preference **must be in compliance prior to issuance of a notice to proceed by DCA, subrecipient, or contractor based on the policies established for the applicable DCA funding program. This preference can be met by any of the three qualifications:**

1. Resident Owned Businesses (ROBs) owned and operated at 51% by Section 3 Residents.
2. Businesses that employ Section 3 residents at no less than 30% of the contractors aggregate full time staff.
3. Contractors that at the time of bid show evidence (meaning the specific name and preference met) of their intent to award no less than 25% of their total award to Section 3 business concerns.

The subrecipient or contractor must maintain compliance throughout the life of the contract. The contractor understands and agrees that a compliance management firm may be used to conduct routine and certified payroll reviews to ensure compliance. The Contractor agrees to provide the payroll data in an Excel or Word format each time the payroll is processed throughout the contract.

Failure to meet the Section 3 requirements will result in penalties up to and including contract termination. Any contractor triggering the regulation by doing any hiring or contracting once they are awarded the contract through execution must comply with the Section 3 requirements by executing the efforts on their Certification and Action Plan in accordance with DCA's Section 3 Policy.

DCA, the subrecipient or contractor shall execute these remedies to achieve compliance in this order:

NON-COMPLIANCE CURE PROCESS

- A. Based on the first observation or report of non-compliance with Section 3, the subrecipient or contractor will be sent an e-mail by the compliance manager notifying them of their non-compliance issue. The subrecipient or contractor will have until the next payroll or 10 business days, whichever is less, to bring the contract into compliance and/or justify in writing why they cannot meet compliance requirements.
- B. DCA, the subrecipient or contractor must render a response to the violating party within 10 business days of receipt of the violating party's letter of reason for non-compliance. If DCA, the subrecipient, or the contractor deems the reason to be unacceptable, at its option, DCA, the subrecipient, or the contractor can extend the response period one time

for up to 5 business days to allow the violating party to identify and secure other compliance options.

NON-COMPLIANCE TERMINATION PROCESS

If the violating party fails to take any corrective action to bring the contract into compliance within the allotted time, or DCA, the subrecipient, or the contractor rejects any of the corrective plans and justifications for non-compliance, DCA, the subrecipient, or the contractor will either terminate the contract immediately or impose liquidated damages equal to the number of days out of compliance divided by the total contract period multiplied by the contract amount. For example, if a violating party is out of compliance for 30 days of a total contract period of 120 days and as part of total contract of \$600,000, then the liquidated damages will equal 25% (30/120) of the total contract amount (\$600,000), or \$150,000. At DCA's determination, any liquidated damages received must be paid to the subrecipient or DCA, at DCA's determination, and be used to promote economic opportunities for Section 3 Residents and Business Concerns.

DCA, the sub-recipient, or the contractor will hold **all funds due to the violating party until such time that a financial workout is completed.**

Additionally the violating party may be banned by DCA, the sub-recipient, and the contractor on future HUD funded projects.
