RFP 2024-02

### Submittal Criteria

---

The City of Perry, Georgia (“City”) is now accepting sealed proposals from qualified vendors for the purchase of a Pumper Apparatus for the Fire Department. The Apparatus should meet the specifications of Exhibit A “Pumper Specifications” attached to this document. The approved vendor will also provide and install all equipment listed in Exhibit B “Equipment Specifications” attached to this document. Any proposed variances from the equipment listing must be provided.

The proposals will be evaluated based on objective criteria by a selection committee comprised of appropriate City staff. Responses to this RFP should clearly address/include the following:

- a. Completed “Pumper Specifications” form (Exhibit A)
  - i. Detailed listing of any variances from the specifications must be included
- b. Ability to provide and install equipment specified in Exhibit B “Equipment Specifications”
- c. Spec sheet/manufacturers promotional material of the proposed apparatus
- d. Cost estimate for the proposed apparatus
  - i. All delivery fees should be included in cost estimate
  - ii. An allowance should be included for the installation of shelving in unit compartments. This item will be finalized during post-submittal evaluation
  - iii. An allowance of \$80,000 should be included for provision and installation of all equipment listed in Exhibit B “Equipment Specifications.” This item will be finalized during postsubmittal evaluation
- e. Estimated delivery date
- f. References for customers who have taken delivery of similar apparatus

Submittals will be evaluated based on the following weighted criteria:

Adherence to "Pumper Specifications" (Exhibit A)	30%
Post-Submittal Evaluation	20%
Demonstrated experience with similar projects	10%
Total price	40%

### Post-Submittal Interviews/Demonstrations

---

After the initial proposal deadline, City staff will review all proposals received and determine which submitters to select for post-submittal evaluation. The City reserves the right to request interviews or demonstrations from the selected submitters and request revised proposals/pricing based on those revisions. Proposals and prices will be finalized from the selected submitters before a final RFP Score is determined & recommended to City Council for approval.

## Submission Requirements

---

Offerors must submit one (1) original proposal and two (2) bound original copies of the complete submittal.

All proposals must be received by January 5, 2024, by 4:00 PM Local Time. Submissions must be submitted in a sealed box/package either by USPS Mail, FedEx, UPS or Hand Delivered and identified/labeled on the outside with The Offeror's name and address and project title as follows: "Pumper Apparatus RFP 2024-02" and addressed to:

*The City of Perry  
Attn: Finance Department  
1211 Washington Street  
P.O. Box 2030  
Perry, GA 31069*

Submissions may be hand delivered to the above address only between the hours of 8:00AM and 5:00PM local time Monday through Friday, excluding Holidays observed by the Owner.

Offerors are responsible for informing any commercial delivery service, if used, of all delivery requirements and for ensuring **the required address information appears on the outer wrapper** or container used by such service. Submissions received after said date and time will not be considered. Having the container postmarked by January 5, 2024 does not meet the requirements of this Request for Proposal. Delivering the document to a commercial delivery service is also not sufficient until the Proposal is actually received at the designated location.

The submissions must be signed by an officer or employee of the company, legally authorized to enter into a contractual relationship in the name of the Offeror.

**Additional Information/Addenda**

---

Answers to questions submitted that materially change the conditions and specifications of this RFP will be distributed to all addressees as an addendum. Any discussions or documents will be considered non-binding unless incorporated and distributed in an addendum.

Proposers should check with the City of Perry Finance Department frequently during the time that this solicitation is open to Offerors to verify that they have received all issued addendums. Addendums will be posted on the City of Perry website (<https://perry-ga.gov/business-services/finance/bids-proposals>). While every attempt is made to make sure that registered proposers receive notice of addendums, proposers have the responsibility of making sure that they have received all issued addendums.
