

**CITY OF PERRY
BENEFITS**

1. **ANNUAL LEAVE:** Annual leave is accrued bi-weekly at a rate of 3 hours and 5 minutes per pay period for employees other than firefighters who have accrued less than 5 years, for a total of 10 days per year.

Employees, other than firefighters, who serve 5 years or more, will accrue 4 hours and 37 minutes per pay period for a total of 15 days per year.

Firefighters, who work 24-hour days on a one-on, two-off basis, accrue 4 hours and 19 minutes for the first 5 years and 6 hours and 28 minutes after 5 years.

Any employee who leaves the employment of the City of Perry, either voluntarily or through dismissal, shall be entitled to pay for any unused leave not exceeding 240 hours or 366 hours for firefighters.

Employees must request annual leave in writing on a City leave request form and must receive written approval from the Departmental Supervisor. Department heads and the Personnel Office maintain annual leave records.

2. **SICK LEAVE:** Sick leave is accrued bi-weekly at a rate of 3 hours per pay period for all employees except firefighters, who earn leave at a rate of 4.25 hours per pay period due to their work schedule.

Sick leave may be accumulated to a maximum of 1,280 hours for all employees except firefighters, who may accumulate up to 1,792 hours.

Like annual leave, sick leave with pay must be requested in writing by the employee and approved in writing by the Departmental Supervisor. If you are unable to report to work due to illness, you **MUST** report your intended absence to your immediate supervisor as soon as possible. Failure to make such a report may result in disallowance of sick leave with pay and disciplinary action. A supervisor may request a doctor's written statement verifying illness.

Employees who leave employment with the City are not compensated for unused sick leave.

4. **PENSION PLAN**: The City of Perry offers full-time employees the opportunity to participate in a contributory pension plan. Employees can elect to contribute a percentage of their gross income into a 457 deferred compensation plan. After one year of employment the City will match employee contributions, up to 4%. Employer match contributions are deposited into the employees 401 profit sharing account. Both plans are administered by MissionSquare Retirement (formerly known as ICMA-RC).
5. **EMPLOYEE ASSISTANCE PROGRAM**: The City contracts with a professional counseling service to provide confidential service to employees with personal problems that have a negative effect on job performance. Employees may receive help with such problems as drug or alcohol dependency, family, financial or emotional problems. You will receive handouts periodically from this agency.
6. **INSURANCE**: The City offers a “cafeteria plan” under which employees may choose from a “menu” of insurance policies. The amount of your insurance premium is deducted from your gross pay before taxes, as allowed under IRS Section 125. You are taxed only on the adjusted gross pay left after these pre-tax purchases.
