Thank you for your interest in participating in Art in the Park event, scheduled to be held on Saturday, May 1st at the newly constructed Heritage Oaks Park (2021 Sam Nunn Blvd). We are seeking all types of artists and makers to participate in this event, whether you are an AMATEUR or a PROFESSIONAL, or if you fall somewhere in between, we invite you to complete this Vendor Request Form to be considered for our 2021 Art in the Park event. By completing this form, you are being CONSIDERED for the Art in the Park event. Due to limited capacity, submission of a form DOES NOT guarantee selection for any City of Perry event. Please answer the following questionnaire thoroughly and to the best of your ability, as we will carefully review each applicant for consideration as we are making selections and proposals for event bookings. Selected artists and makers will be personally notified and given further instructions pertaining to the event. There is no vendor charge for artists and makers who are selected. Due to the overwhelming response and interest we receive for this type of event, it is not guaranteed that all artists and makers who submit a vendor request form will be invited to participate.

*(Please Read & Initial) I am stating that I understand and agree to the following:*

- ☐ *If selected, I will be provided a 10X10 space, unless more space is requested and approved. This event will be held outdoors. Tents, tables, chairs, displays, etc. are welcomed and encouraged, however, the individual artist/maker is responsible for the setup, maintenance and removal of his or her space.*
- ☐ *All selected artists/makers are requested to perform LIVE DEMONSTRATIONS of their work during the event. While artists are not required to perform live demos throughout the entire duration of the event, we ask that artists/makers commit to demonstrating their work at least once per hour so that guests may observe. We also ask that artists have signage at their table informing guests of when they will be demonstrating (Example: Jane Doe will be demonstrating watercolor painting every hour on the hour for approximately 10 minutes)*
- ☐ *Due to the park setting, access to water and electricity is extremely limited and is NOT guaranteed. Please plan accordingly.*
